Harriet Tubman Day

connect, engage, inspire

Experience the extraordinary power of storytelling through the narratives of Harriet Tubman's Journey. How does Harriet's life connect with our own journeys of empowerment, struggle, joy, and resilience?

Performance by storyteller and musician **Walter Jones**

Stories in the Stones: Each paver has a story and a personal connection to Harriet Tubman. Hear first hand compelling and inspiring tales.

Youth Inspiration: Hear from our next generation, in their own words as young authors read from their Harriet Tubman inspired book
